GREEN INITIATIVES

- Improved indoor air quality thanks to low VOC paints and flooring throughout
- Smart Location: pedestrian-friendly community with easy access to transit; efficient site-planning for compact housing; and a diverse range of housing/ floor plan types and green space
- Water conservation: low-flow toilets, showerheads and faucet aerators, as well as drought-tolerant landscaping
- Energy conservation: domestic hot water, Energy Star® windows, dishwasher and clothes washer
- Emission reduction: Receptacles for Level 2 electric vehicle charging in each garage
- Recycling program: recycled materials used in construction; demolition material and up to 70% of construction waste recycled
- Extra-green efforts: native plantings to reduce the need for pesticides and fertilizers; erosion control and vegetation safeguards; soil control and bulk excavating to reduce site disturbance

CONNECTED & CONVENIENT

- Parks, transit, schools and numerous other amenities and services within walking distance
- Telus Future Friendly Homes® come technology ready with the Telus Smart Hub for easy and secure WiFi connectivity and Internet access, CAT5e wiring and multiple pre-wired connections for high-speed cable and Internet
- Free Telus TV and High-Speed Internet for one year
